Two Young Ladies Gathered Up Over Five Hundred Dollars Between Them.

marrier and babies might be the one of persons lained in the sour-erry taken care of, did it that the that they might be just coing to have exchen old might be sout in their the party to that he more Secrety, and is that negle tod excitoment at Sand forsition of care in, did it that the that they might by just doing to have way repoining did it that the hangry light be fed the relative hangry might be fed, the naked coah tired and careworn without a pl to by their heads might be down pleasant dreams and realize that t

pleasant dreims and coalize that this till could hasn't enlimb; forgotten the divine command to lives your brethern as yearself or that node as ing that charity is the linest, the set sentiment. And not only charity to foke, but charity for animals, for our locations and Rover and Tubbo traity nice, hub? Profit me and the way they worked as any long everylody throwing everylones of energy they had into a, that real averagementless that showed concert and coasonance of feeling concert and consonance of feeling some so that when the temperature of the Tulsa public was taken at 2 o'clock last night, the thermometer of giving in a good cause registered a degree far in excess of what most of those interested thought it would be a superior of the contract of the

Two young ladies made a remarkable record vesterday. They were alice record vesterday. They were alice record vesterday. They were alice record vesterday. They were shown to have a record of \$299 and the hast a record of \$299 and the hast a record of \$248. Each received a handsone gold plin as a mire of appreciation of the splendid work they did—a token, not a release commission has been conducting several weeks, virtually was considered into the today. Commissioner Medical Research weeks, virtually was considered into today. Commissioner Medical Research vesters and the record vesters are the record vesters and the record vesters and the record vesters and the record vesters and the record vesters are record vesters and the record vesters and the record vesters are record vesters and the record vesters and the record vesters are record vesters.

But the benefits, according to the scarcing and cents plat a little part of it. The discount in its the way of dalars and cents, plat a little part of it. The discount in its the way of dalars and cents, plat a little part of it. The discount in its the way of dalars and cents, plat a little part of it. The discount in the cents plat a little part of it. The discount in the cents plat a little part of it. The discount in the cents plat a little part of it. The discount in the cents plat a little part of its part for the particular of the work which has been showered broad cast throughout the city as a result of the Tag Day campang which has just closed.

Last year Tag Day netted the Humane Society of Tules \$5.25. The large increase moted this season of the facts put forth in the cause. And now year of things keep progressing like they have for the past two or three years there is no telling what find the large of the Humane Society.

Not the least of the pleasant for the grant of the Humane Society of Tules and the forth Humane Society in the work of the day were forther assembled. Flowers for the tables were occupied, and the leaders in the work of the day were there assembled. Flowers for the tables had been furnished in profusion by the Tules park board, while various tables presented splendid and original thought of designs. The most conspicious of these were the prestables. A long table for The Daily Democrat and staff contained in its center a statue of a donkey, Democrates and staff contained in the center a statue of a donkey, Democrated beautiful and out at the fold. A globe of the world such a believe the same representation cut at the fold. A globe of the world inch as is used in schoola stood of the summenced to Answer Charge. on a table at which the staff of The
